Empower Aggie Leaders

Texas A&M has an enduring reputation for producing leaders and innovators with a love of service. The J. Malon Southerland Aggie Leader Scholarship program was created to further encourage and reward student involvement and leadership at A&M. The program’s name honors J. Malon Southerland '65, former Texas A&M vice president for student affairs.

Students who receive the Southerland Aggie Leader Scholarship are heavily involved in leadership of campus programs and events. This scholarship helps to ease their financial burdens so they can continue their leadership roles at Texas A&M and beyond.

The Southerland Aggie Leader Scholarship program is helping Texas A&M continue its commitment to learning, leadership and service both in and out of the classroom. Because the scholarships are endowed, they support Aggie leaders forever.

The Southerland Aggie Leader Scholarship financially and emotionally assists me in constructing my foundation for life: graduating from Texas A&M. Thank you, contributors to this scholarship program, for helping students like me to continually and dynamically grow.
