

FOUNDATION EXCELLENCE AWARD (FEA)

Diversity and excellence go hand in hand at Texas A&M. A diverse student body offers Aggies a culturally rich experience that prepares them for life beyond college. The Foundation Excellence Award (FEA) program, established in 1999, is supported with more than \$12 million in gifts and pledges to help Texas A&M diversify its campus.

The FEA program supports outstanding students from underrepresented groups who are U.S. residents and who gain admittance to Texas A&M. This includes minorities as well as students from

economically and educationally disadvantaged backgrounds. Academic qualifications, extracurricular activities and financial need also are considered.

Texas A&M has always aimed to educate a broad cross-section of the population as part of its mission. Providing opportunity to all groups is critical to the future of the state and nation. You can give a one-time FEA scholarship to support a single student or an endowed FEA scholarship to support Texas A&M students forever.

REACH OUT TO UNDERREPRESENTED STUDENTS

FUND AN FEA

An individual or group can establish an FEA endowed scholarship with a gift of \$50,000 that can be paid over a period of up to five years. You can also fund a one-time FEA scholarship for a single student. Funding an FEA can be in the form of cash, securities, real estate, planned gifts or corporate matching gifts. You can also name an FEA in memory or honor of a person, class or organization.

FEA scholarships provide students with \$2,500 per year for up to four years. If you create an endowed FEA, a new student will benefit from your scholarship every four years.

LEAVE A LEGACY

The FEA program allows you to develop relationships with students to share ideas and dreams. You will have the opportunity to meet your scholars and other donors at an annual on-campus tailgate party. If you choose to establish an FEA endowment, your gift will be recognized on a master plaque in the Jon L. Hagler Center.
